

## ***Limited Lifetime Warranty for Diamon-Fusion® Low Maintenance Coating on Residential Glass (Non-Shower Door)***

Diamon-Fusion treated surfaces including glass railings, skylights, solar panels and balustrades are guaranteed to remain more water repellent than untreated glass for the lifetime of the glass as long as manufacturer care recommendations are followed and no harsh or abrasive cleaners are used. Diamon-Fusion chemically bonds to the glass creating a patented, protective coating that when properly applied by an authorized applicator, is guaranteed not to haze, chip, crack, peel, or discolor. No Revitalizer™ is required to maintain the warranty.

In the event of a covered product failure, DFI's liability is limited to the cost of replacing DFI chemical materials for retreatment, and will in no way extend to indirect, incidental or consequential damages incurred in relationship to this product.

THE FOREGOING WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES OF ANY KIND INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. COMPANY SHALL NOT BE LIABLE FOR INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES RESULTING FROM THE USE OF THIS PRODUCT. NOTE, SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS MIGHT NOT APPLY TO YOU AS THE ORIGINAL PURCHASER. THIS LIMITED WARRANTY GIVES THE ORIGINAL PURCHASER SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS THAT VARY FROM STATE TO STATE. COMPANY SHALL BE THE SOLE JUDGE AS TO WHETHER MANUFACTURER MAINTENANCE RECOMMENDATIONS HAVE BEEN FOLLOWED, AND IF IN COMPANY'S JUDGMENT THE PRODUCT FAILURE HAS ARISEN FROM IMPROPER CARE OR FAILURE TO FOLLOW COMPANY'S RECOMMENDATIONS, THEN COMPANY SHALL BE RELEASED FROM ANY OBLIGATION OR LIABILITY UNDER THIS LIMITED WARRANTY.

---

### **Diamon-Fusion Residential Glass (Non-Shower Door) Care Instructions**

**For best results:** Glass railings, skylights, solar panels and balustrades treated with Diamon-Fusion can be cleaned with soapy water, a washer and a squeegee. Avoid cleaning glass, in direct, hot sunlight. Please note, in extreme situations or where the environment has been manipulated (for example, where glass is exposed to sprinklers, pool cleaners, leaching, drainage issues, submerged areas and other forms of man-made water contact), a simple maintenance routine should be followed to keep deposits from developing on the coating over time.

#### **Approved Cleaning Products - If you wish to use a cleaning product, the following may be used:**

- White household vinegar diluted with water
- Sprayway® Ammonia-Free Glass Cleaner
- Seventh Generation™ Natural Glass & Surface Cleaner
- Simple Green®
- Ammonia-Free Windex®
